Older Adult Half-Day Workshop 23 April - Cancelled

Following public health advice on COVID-19 issued by the local, national, and international authorities our 3-day workshop hosted by University College Cork is cancelled. It is with great disappointment that we have to cancel the event but given that we are in the delay phase of the pandemic and the uncertainty of how the next number of weeks will evolve, we are cancelling the 3 day event and scheduling a virtual event with all of our partners.

We are continuing to progress the project and supporting our colleagues in residential care facilities. Stay safe and will be tweeting on the 22nd April.

4-day facilitator training, Queen's University Belfast, 27-30 April 2020 changed to online training from QUB via canvas.
